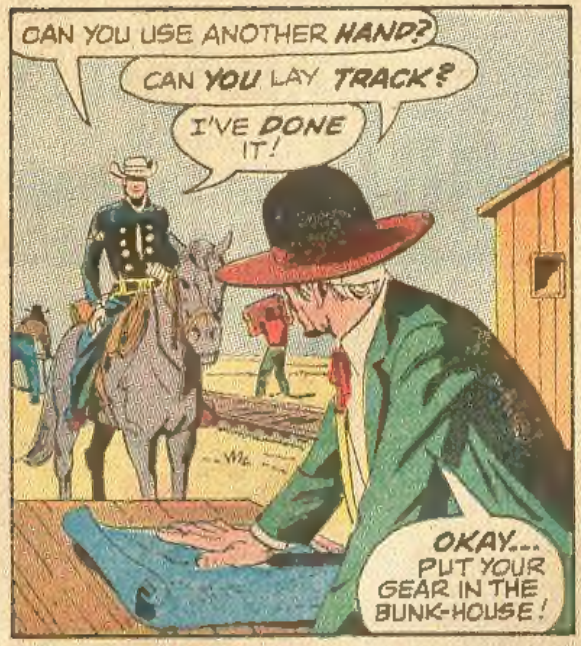
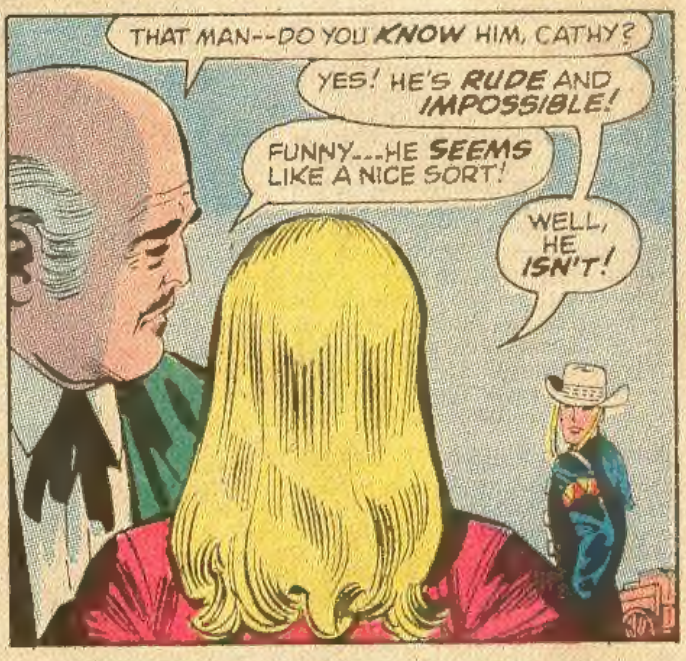
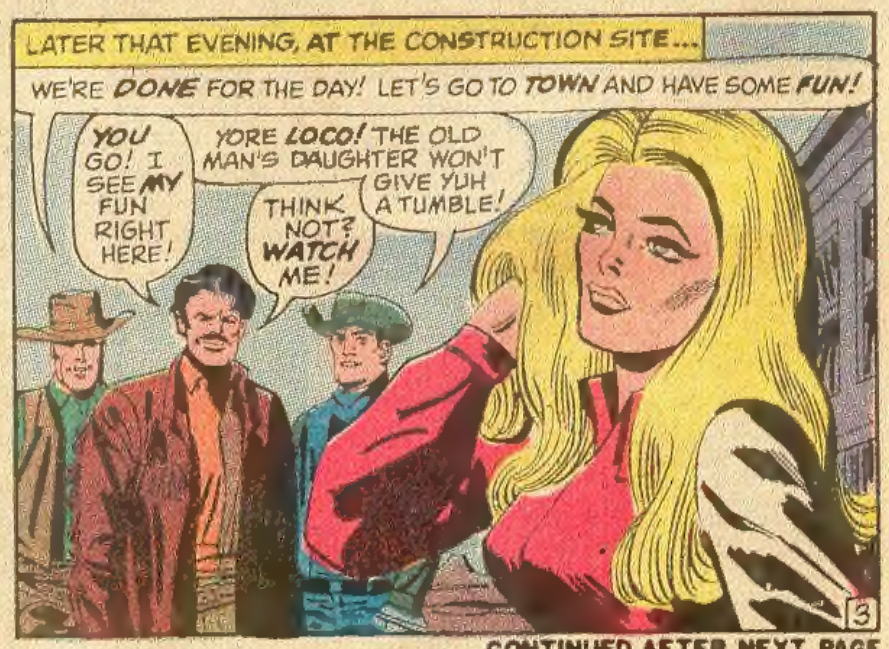
EASY, MISS! I'VE GOT THE REINS! YOU'RE SAFE NOW!
WHOA, BOY! WHOA!
WHA---? WHO IN BLAZES ARE YOU?
WHAT DO YOU THINK YOU'RE DOING?
I'M THE MAN WHO JUST BROUGHT YOUR HORSE UNDER CONTROL, AND PROBABLY SAVED YOU FROM BREAKING YOUR PRETTY NECK!
MY HORSE WAS UNDER CONTROL, AND I WAS PERFECTLY SAFE!
YOU MEAN YOU WERE DELIBERATELY RIDING AT BREAKNECK SPEED?
OF COURSE! I ALWAYS RIDE FAST!
FAST? LADY, YOU WERE RIDING THAT HORSE INTO THE GROUND!
I WAS NOT! AND BESIDES, IT'S NONE OF YOUR BUSINESS WHAT I DO WITH MY HORSE!
WOW! YOU'RE A REAL CHARMER!
AND YOU'RE AN ILL-MANNERED AND OFFENSIVE OAF, WHOM I HOPE I'LL NEVER HAVE THE MISFORTUNE TO RUN INTO AGAIN!
I'LL MISS YOU, TOO!
SOMETIME LATER, A SIMMERED DOWN KID COMES UPON A RAILROAD CONSTRUCTION SITE!
THIS MIGHT BE THE CHANCE I'M LOOKING FOR!
A CHANCE TO HANG UP MY GUNS FOR A WHILE!



BUT THEN THE KID SPOTS AN UNFRIENDLY ACQUAINTANCE...
THAT GAL--THE ONE I RESCUED--
SHE'S THE DAUGHTER OF THE RAILROAD PRESIDENT, MR. CAMERON!



BUT THERE IS AN EVEN WORSE SORT WATCHING THE SCENE AT THAT MOMENT...
THERE ARE STILL TOO MANY PEOPLE AROUND THE GIRL!
WE MUST BIDE OUR TIME!



LATER THAT EVENING, AT THE CONSTRUCTION SITE...
WE'RE DONE FOR THE DAY! LET'S GO TO TOWN AND HAVE SOME FUN!
YOU GO! I SEE MY FUN RIGHT HERE!
YORE LOCO! THE OLD MAN'S DAUGHTER WON'T GIVE YUH A TUMBLE!

CHARLES ATLAS, World's No. 1 Body Builder, says:

Don't Be Half A Man!

Let ME SHOW How I Can Make You a Real HE-MAN From Head to Toe — in Just 15 Minutes a Day!

Take a good honest look at yourself! Are you proud of your body — or are you satisfied to go through life being just "half the man" you could be? No matter how ashamed you are of your present physical condition — or how old or young you are — the "sleeping" muscles already present in your body can turn you into a real HE-MAN! Believe me, I know — because I was once a skinny, scrawny 97-pound half-alive weakling! People used to laugh at my build and make fun of me. I was ashamed to strip for sports or the beach . . . shy of girls . . . afraid of healthy competition.

HOW I CHANGED FROM A "MOUSE" TO A MAN!

One day, I discovered a secret that changed me from a timid, frightened scarecrow into "The World's Most Perfectly Developed Man" — a "magic formula" that can help turn *you*, too, into a marvellous physical specimen . . . a real HE-MAN from head to toe . . . a man who STANDS OUT in any crowd! What's my secret? "DYNAMIC-TENSION" — the natural method! No theory. No gadgets or contraptions. You just do as I did. Simply take the "sleeping" muscles already present inside your own body — build them up — use them every day in walking, bending over, reaching, even sitting! Almost before you know it, you're covered with a brand-new suit of beautiful, rock-hard SOLID MUSCLE!

MY SECRET BUILDS MUSCLES FAST!

Just 15 minutes each day in the privacy of your room is all it takes to make your chest and shoulder muscles swell so big they almost split your coat seams . . . turn your fists into sledge-hammers . . . build mighty legs that never tire! Mail coupon today for my famous book showing how "Dynamic-Tension" can give *you* a Body by Atlas. Charles Atlas, Dept.. 606 115 E. 23 St., New York, N. Y. 10010.

FANCIFUL FACT AND FRUMIOUS FABLES FOR FRIEND AND FOE ALIKE!

ITEM! Notice anything *different* about this month's Bullpen Page, observant one? You know it: there's no color-splashed box headed by the wondrous words, "STAN LEE'S SOAPBOX"! But fear not — Our Leader hasn't forsaken us as a result of that Carnegie Hall debut we gushed about last month. Partly, there's no Soapbox because Stan has winged his way southward for his first real vacation in many a moon — and it's kinda hard to plug an electric typewriter into the sand-castles at Miami Beach! More than that, though: he's already hard at work (mentally, at least) preparing a prodigious pronouncement which will stun your bedazzled senses *next* month! Sorry — we can't tell you what it's all about just now; but we hereby promise and proclaim that our very next Bullpen Bulletins will herald a brand-new era for Marvel — one that looks to be even greater, groovier, and more gargantuan than the one just past! And you'll be in on the ground floor if you tune in next month — same time, same place! Don't let us down, hear? We're nothing without you, pilgrim — and we *mean* that!

ITEM! Meanwhile, just to prove to you that mighty Marvel's not exactly standing still for the next few weeks: by now, you've doubtless already noticed the spectacular illo elsewhere on this self-same page and been wondering what's the buzz, right? So here's where we end the suspense. The current ish of MARVEL SPOTLIGHT debuts a far-out new feature which we think you're gonna dig. It's called GHOST RIDER — but, as anybody with 20-20 vision can plainly see, he's no blood relation to the western hero we sprung on you some time back. Nope — *this* GR is a mad, mod, mystic hero who straddles both the world of motorcycles — and the supernatural! (And that's some job of straddling!) It's by the titanic team of Groovy GARY FRIEDRICH, who dreamed the whole thing up, and Mad-cap MIKE PLOOG, whose own "Werewolf By Night" series is scheduled to gain its very own mag in a month or two! Oh yes, and for those of you who've been writing in to comment on the uncanny resemblance between Mike's artwork and that of the great WILL EISNER, creator of the Spirit during the 1940's — it's no news either to us or to Mike, people, 'cause Mike was indeed Mr. E's artistic assistant for a couple of years, just prior to his joining our beleaguered little crew! But thanks for noticing!

ITEM: Two of Marvel's own boy prodigies, Merry GERRY CONWAY and Sturdy STEVE ENGLEHART, recently hopped a fast 727 and flew out to address Indiana University's fully-accredited course on comix, which will soon be offered thru international correspondence as well. They held forth for three hours, followed by a lengthy rap session — and even turned up on the local TV channel to spread the word to acolyte and infidel alike! With Steve a native Hoosier, the whole thing was virtually a triumphal homecoming — except that, because of the hectic schedule, he never got around to visiting the ol' homestead!

ITEM! How about this tidbit: The much-lionized Mr. Lee did his own lecture-circuit thing a couple of months back at the prestigious University of Puget Sound (that's in the snow-capped state of Washington, natch). A few of the flame-keepers took Stan to the city's well-known, well-stocked zoo, where he got his first close-up look at a certain breed of awesome anthropoid. And, if you've guessed by now that that's how Smiley dreamed up the free-swingin' Gibbon, who's given Spidey such a hassle these past two issues — go to the head of the class, perspicacious one! (That's just an aside for those of you who keep writing in to ask us where we get all our nutty ideas! Where we *can*, pal — where we can!)

ITEM! Oh yeah, and we just had to mention that this month's Checklist heralds a couple of real collectors'-item issues now on the stands — fabulous premier issues of both THE DEFENDERS and WARLOCK in their own mags! And what about this little bombshell to close with: in a month or two, the tempest-tossed team of THOMAS, ANDRU, and SEVERIN will be joining forces to bring you the adventures of one of the first and foremost super-stars of all — none other than the one and only DOC SAVAGE, MAN OF BRONZE! Marvel is really movin' out, effendi — so grab your ticket and welcome aboard! 'Nuff said!

NOW YOU CAN CHARGE IT, TOO!

AT LAST A RECORD AND TAPE CLUB WITH NO "OBLIGATIONS"—ONLY BENEFITS!

Ordinary record and tape clubs make you choose from a few labels—usually their own! They make you buy up to 12 records or tapes a year usually at list price—to fulfill your obligation. And if you forget to return their monthly card they send you an item you don't want and a bill for $4.98, $5.98, $6.98, or $7.98. In effect, you may be charged almost double for your records and tapes.

BUT RECORD CLUB OF AMERICA ENDS ALL THAT!

We're the largest all-label record and tape club in the world. Choose any LP or tape (cartridge or cassette), including new releases. No exceptions. Take as many, or as few, or no selections at all—if you so decide. Discounts are GUARANTEED AS HIGH AS 79% OFF! You always save at least 33⅓%. You get best sellers for as low as 98¢.

NO AUTOMATIC SHIPMENTS

With our Club there are no cards which you must return to prevent shipment of unwanted LPs or tapes (which you would have to return at your own expense if you have failed to send written notice not to ship). The postage alone for returning these cards each month to the other clubs costs almost an additional $2.40. We send only what you order.

[illegible] AND TAPE CLUB RULES!

We are the only major record and tape club NOT OWNED . . . NOT CONTROLLED . . . NOT SUBSIDIZED by any record or tape manufacturer anywhere. Therefore, we are not obligated by company policy to push any one label. Nor are we prevented by distribution commitments from offering the very newest LPs and tapes.

RIDIN' THE TRAIL WITH RAWHIDE

c/o MARVEL COMICS GROUP, 625 MADISON AVE. N.Y.C. 10022

Dear Stan and Larry,

I don't know which of you is in charge of who does the chores on the RAWHIDE KID magazine but someone has to go. Not Stan, or Larry, but George. At first I liked George Roussos' inking because it was different. But now I see that it is actually poor. In issues #97 and #98 he does particularly bad work. He leaves too much of Larry Lieber's crudeness in and then over-inks in some other places. Please bring back John Tartaglione as inker. He was just about perfect for the job. If no can do, try Syd Shores (if he's not busy with RED WOLF) I think it would be rather good since he did ink Kirby well, and Larry's style is so similar.

I'm glad Larry had the Kid just plain kill the scheming rancher at the end of #98. I know that it was in self-defense, but the Kid usually does only wound 'em. It shows he's just as human as the rest of us.

Put RAWHIDE back on the checklist and keep on trucking!

Robert A. Gilis, 18 Bayberry Road
Elmsford, NY 10523

He's back, he's back, pilgrim. And we'll keep him there, too...unless George's tears make the ink run on the checklist so you can't read it (which, when you really think about it—doesn't seem too likely).

Stan Lee:

MIGHTY MARVEL WESTERN #17: (maybe this should be to RAWHIDE KID): the two old Rawhide stories in MMW 17 were quite interesting. I like to think of these as occuring in a time after Johnny Bart cleared his name and settled down.

The modified old TWO GUN story is another matter, however. He looks like our Two Gun but doesn't act like him.

I assume that the mask has been added to heighten the resemblance—BUT—THE EFFECT IS JARRING! NOBODY NOTICES THE MASK!! Ridiculous! How about another premise for these stories like: "Tales From The Years When Matt Hawk Was A Wandering Cowboy Before He Graduated Law School" (maskless) or "Once Upon A Time There Was Another Cowboy Called The Two-Gun Kid" (maskless)

Howard Leroy Davis, 38 Simpson Avenue
Pitman, NJ 08071

You got a point there, Howie—and we totally agree with you. When Two Gun got his slots in his own book and MIGHTY MARVEL WESTERN, we got a mountain of mail begging for those old Kirby and Severin tales of the earlier TGK. In order to avoid confusion, we added the new Two Gun's mask to the old artwork—and promptly created *mass* confusion. So, from this day on, when we use an old Two Gun Story, the Kid'll be maskless, just like you ask.

Haven't we been tellin' you that you're really the editor at Marvel? Bet your bird, tiger!

Dear Stan,

I never really enjoyed your old Western heroes because they all seemed to be either misunderstood fugitives or Western superheroes. Then, to my delightment, Marvel brought out WESTERN GUNFIGHTERS and gave us the Ghost Rider, Gunhawk, Tales of Fort Rango, The Renegades, and Half-Breed. Each was different, original, and exciting. Tales of Fort Rango became the background for RED WOLF, and the others, evidently, died. I, and I'm sure many other Western fans, wish to see them return someplace, somehow. Surely among all Marvel's magazines there is a place for a Ghost Rider, a bounty hunter, a half-breed and four branded deserters. Well, Stan, what's your answer?

Dennis Sellers, Route 4
Huntingdon, Tenn.

If you've taken a gander at the Bullpen Bulletin for this month, Denny, you've seen a new version of the ever-popular Ghost Rider. No, as far as we know (which is as far as Gary will tell us), the new Motorcycling Marauder is no relation to the Spooky Spirit of so long ago, but you can see why Lincoln Slade must stay in limbo for a while. We don't want to make it too confusing, what with two Ghosts on the loose. Still, several of our other Western winners are going to new stories these days, and the old West was only so big—so don't be too thunderstruck if one of our Kids meets up with the scariest cowboy of all.

As for the others—again, Half-Breed may show up as a guest star from time to time. And there *is* unpublished material on the Renegades that author Mike Friedrich may be laying on you soon. *And*—that selfsame Mr. Friedrich has just brought back the Gunhawk (now called Bounty-Hawk) in the OUTLAW KID, now on sale.

Okay, frantic one?

Dear Stan, Gary and John,

RAWHIDE KID #96 was marvelous, stupendous, beautiful. Please compliment Dick Ayres on his great art work. Rawhide looked better than I have ever seen him. The plot was excellent, the inking was terrific and I loved it all. Keep up the wonderful work 'Nuff said!

RFO, KOF, FFF, Arnold Brown, Route 4
Taylorsville, KY

Almost, ranny...but we'd like to add a line or two. We go for Darlin' Dick's pulsatin' pencils and Groovy Gary's scintillatin' scripts as much as you do, and you'll be seeing more of both in the months to come. But for the most part, Rawhide's tales will continue to be written and drawn by none other than Larrupin' Larry Lieber, 'cause old Sagebrush Forbush wants it that way ...along with about a zillion of you wild and woolly western readers. Now that's definitely 'nuff said.

Stan,

I just finished reading RAWHIDE KID #96 and I've got to say it isn't as good as usual. The Kid seemed like too much of a goodie-goodie. He owes the law very little so the least he could have done was let the Missouri Kid go, after he (Missouri) saved the Kid's life. Also how about sticking to the Rawhide Kid *solely*—it's *his* mag. Try to cut down on other stories about other gunfighters. The Kid's been one of my favorite comic books for a long time, so keep it as good as it has been.

Steve Kahn, 12 Meadowbrook Rd.
Sudbury, Ma 01776

No way, wrangler. We're gonna make it better...or bust our broncs tryin'. You may have a point about co-featuring other characters along with the Kid, but we'll leave that up to Marveldom assembled. Whaddaya say, gang? Do you want Rawhide going the solo route...or do you prefer to see him team up with other famous [illegible] aim to please. Dig?

Dear Stan, Gary, and Dick,

RAWHIDE KID #96 was one of your best ever. The Missouri Kid was a breath of fresh air after all the typical Rawhide vs. the bad guys episodes. It seems to me that the thing that's always made Marvel Comics the greatest is characterization, and I'm glad to see you're sticking with it. Your Western mags have been a little weak in that department, and it's good to see you're beefing them up. After all, us older readers like Westerns, too. They aren't read by the bubblegum brigade only. So keep up the good work, and I'll keep buying your sagebrush sagas along with the superhero spectaculars every month...or at least until they start showing Gene Autry and Tim Holt movies at the local theatre on Saturday afternoons.

George K. Wagner, Candlelight Park
Memphis, Tenn.

And when that day comes, G. K., we might just desert the old typewriters and drawing boards and head down to the movie house with you. Until then, though, we'll keep plugging away to bring you the best Western yarns this side of John Wayne...or Johnny Mack Brown, anyway.

If you had mailed this coupon a year ago, perhaps your salary would be up too!

WHY NOT MAIL IT TODAY?

Look at these pleased reports from LaSalle students. Many success stories of this kind come to us every year—from people who began their career planning by mailing the LaSalle coupon for information.

Yes, many graduates attribute their increases in income largely to their LaSalle spare-time training.

LaSalle students have one ambition in common—to get out of the ranks of the untrained and earn more money and respect in a better job. Isn't that your goal too?

Without interfering with your present work—and by devoting only a little of your spare time—you too can prepare for advancement in the field of your choice through LaSalle home study. The cost is low.

LaSalle has been a leader in home education for more than sixty years, enrolling over 2,000,000 ambitious men and women in its many courses. You study under the supervision of LaSalle's experienced faculty. Upon satisfactory completion of your study, you receive the LaSalle diploma—a recognized and respected credential.

Check the subject you are interested in—then send the coupon above for FREE booklet. No obligation.
